Flexible Scheduling Options!

- We allow students to make up any missed classes throughout a term. When creating your schedule, please follow these simple guidelines.
1. Register for the class day and time you will be attending most frequently throughout the term.
 2. No students can attend more than 8 classes a term, unless they are registered for multiple classes.
 3. Classes can only be made up on another day the same class is offered.
 4. DO NOT make up classes during the first or last week of the term.
 5. Missed classes do not transfer to future terms unless the student is enrolled in that future term.
 6. There is no need to notify us of missed classes or make-up plans. Simply arrive at the make-up class and we will take care of the rest.

Important Enrollment Information!

1. Classes meet once a week for 8 weeks.
2. Students are accepted on a first come, first-serve basis.
